Season-End Celebration

One page to mark a season of showing up together

HOW TO USE THIS SHEET, KINDLY

Every few months, sit down together (a call counts) and fill one out each. Read yours out loud. Count everything, especially the restarts — a season with six gentle restarts is a season of six gentle restarts, not a failure with a footnote. Then decide together: continue, rest, or begin again with someone new. All three are good answers.

The season, at a glance

Prompt	Your answer
When did this season start?	
Slips finished (finished means tossed, remember)	
Gentle restarts used (count them proudly)	
Check-ins held, even short ones	

What actually changed

Prompt	Your answer
A habit that stuck when I wasn't watching	
A thing I can do now that I couldn't before	
A promise that taught me something by NOT happening	
The moment I was most glad to have a buddy
